PARISH APPEAL for THE CHURCH IN LATIN AMERICA

Although approximately *half* of the world's Catholic
population lives in Latin American, the Church in the
region is losing members in an alarming rate.

The CHURCH IN LATIN AMERICA is challenged by
several factors drawing away the faithful: the lack of
available faith formation, the pressure to migrate in
pursuit of a better living that comes from living in a
globalized society, resulting in the breakdown of family
and community. This tension can contribute to the
destabilization of families and faith communities.

The **Collection for the Church in Latin America**
funds pastoral projects, such as rural evangelization,
seminary formation, and catechists to nurture the faith in
the region.

Please keep faith with the Church in Latin America
through your support of this collection. Watch your
Bulletin for future details.
