CALIFORNIA HUMAN RIGHTS AMENDMENT

MARCH 2010

The California Human Rights Amendment will amend the California Constitution and define human rights beginning at biological development (e.g., conception), and it will ensure that a pre-born baby of any age has the same equal rights and protection under law as adults.

During the month of March, the California Human Rights Amendment will be out in full force statewide collecting 1.2 million petition signatures in order to qualify for the November election ballot. Signatures are pouring in from all over the state. But, we still have a massive amount of work to do.

How can you help??

- Collect 20 signatures and mail back petitions by March 30th
- Order a petition to be sent by mail.
Call 800.836.4937

And, collect petition signatures from your family, friends, associates, at your church, organization, in front of a busy store ...

Thank you for your important efforts to protect the defenseless unborn children.

In His honor and for His glory, the CHRA Team
