**CATHOLIC HOME MISSIONS APPEAL**

Today is the special Collection for the Catholic Homes Missions Appeal. It began in 1998 as a means to support areas of the United States of America, and its dependence, with limited resources and few priests, which is a growing problem in many parts of the country. Money given to the Catholic Home Missions Appeal helps Catholic Communities across America survive and thrive, by underwriting evangelization, religious education, education for future priests, training for lay ministers, and poor parishes that would have to close their doors without outside help.
